Currently company has production capacity of 96000 MT per Annum of Quartz and Quartz Surfaces of **5.00 Million** Sq. Meter per Annum. Baba Quartz is approved with **3 star exporter** and **export house certificate** which says self-sealing permission for export. Baba super have 4800 containers install capacity for export order.

Baba quartz have its own super white Quartz quarry at Rajasamand location along with own quartz processing facility, Company has a long term contract with supplier of good quality raw material.

## Advantages

10 years warranty

Scratch resistant

Heat resistant

Stain resistant

Many color and style options

Durable

Non-porous

Hygienic ( Bacteria Free)

High Acidic substances and harsh cleaners can't cause damage.

Experience unparalleled excellence with our Fluted Quartz Panels, where durability meets sophisticated design. Engineered to withstand the tests of time, these premium surfaces come with an industry-leading 10-year warranty, offering complete peace of mind for your investment. Their non-porous nature ensures a hygienic, bacteria-free environment, making them perfect for any space where cleanliness is paramount.

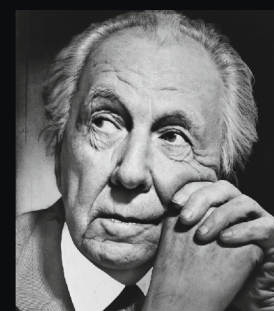

Crafted to resist scratches, heat, and stains, these panels maintain their pristine appearance even under demanding conditions. Their exceptional resistance to harsh cleaners and acidic substances ensures hassle-free maintenance without compromising their stunning aesthetics. Each panel embodies the perfect fusion of functionality and style.

With an extensive palette of colors and styles to choose from, our Fluted Quartz Panels offer unlimited design possibilities. Whether you're creating a contemporary masterpiece or a timeless classical space, these panels provide the creative freedom you need while delivering unwavering durability and elegance.

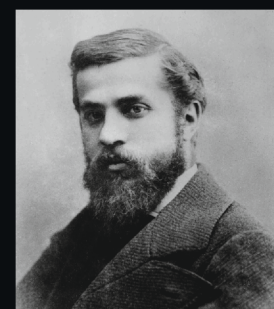

The sun never knew how great it was until it struck the side of a building.

– Louis Kahn

Frank Lloyd Wright

**"The longer I live the more beautiful life becomes. If you foolishly ignore beauty, you will soon find yourself without it. Your life will be impoverished. But if you invest in beauty, it will remain with you all the days of your life."**

Antoni Gaudí

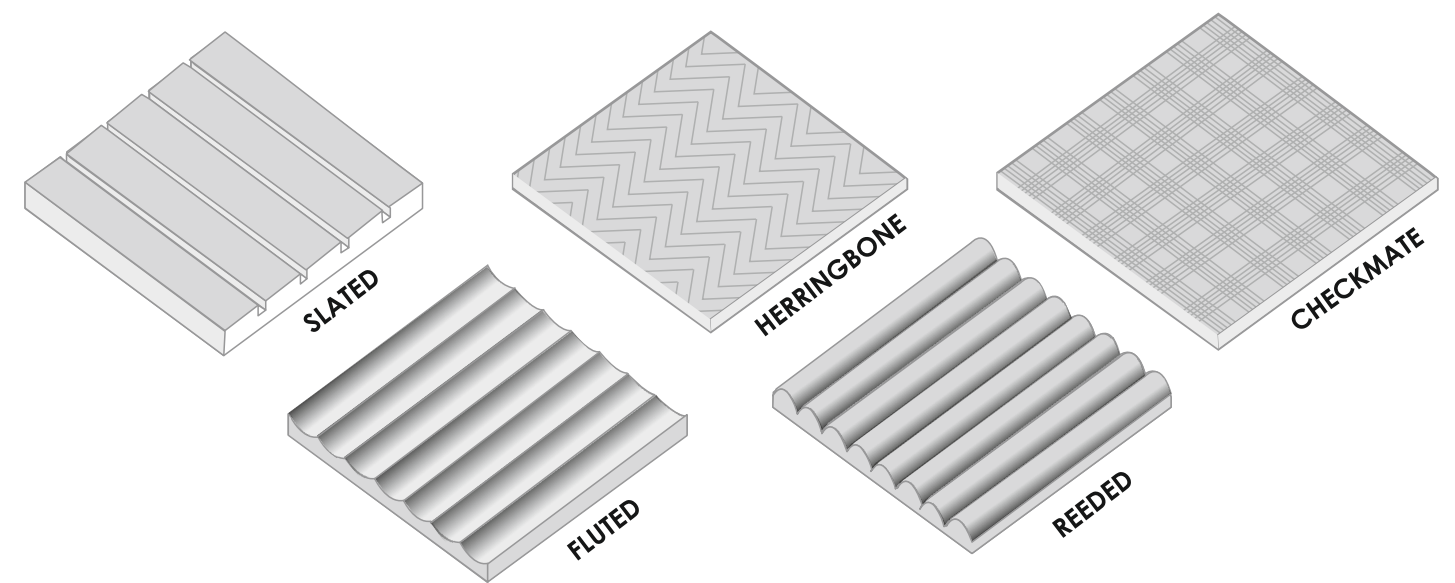

**There are no straight lines or sharp corners in nature. Therefore, buildings must have no straight lines or sharp corners.**

## Why Fluted Product ?

## Fluted Panel Quartz Pattern

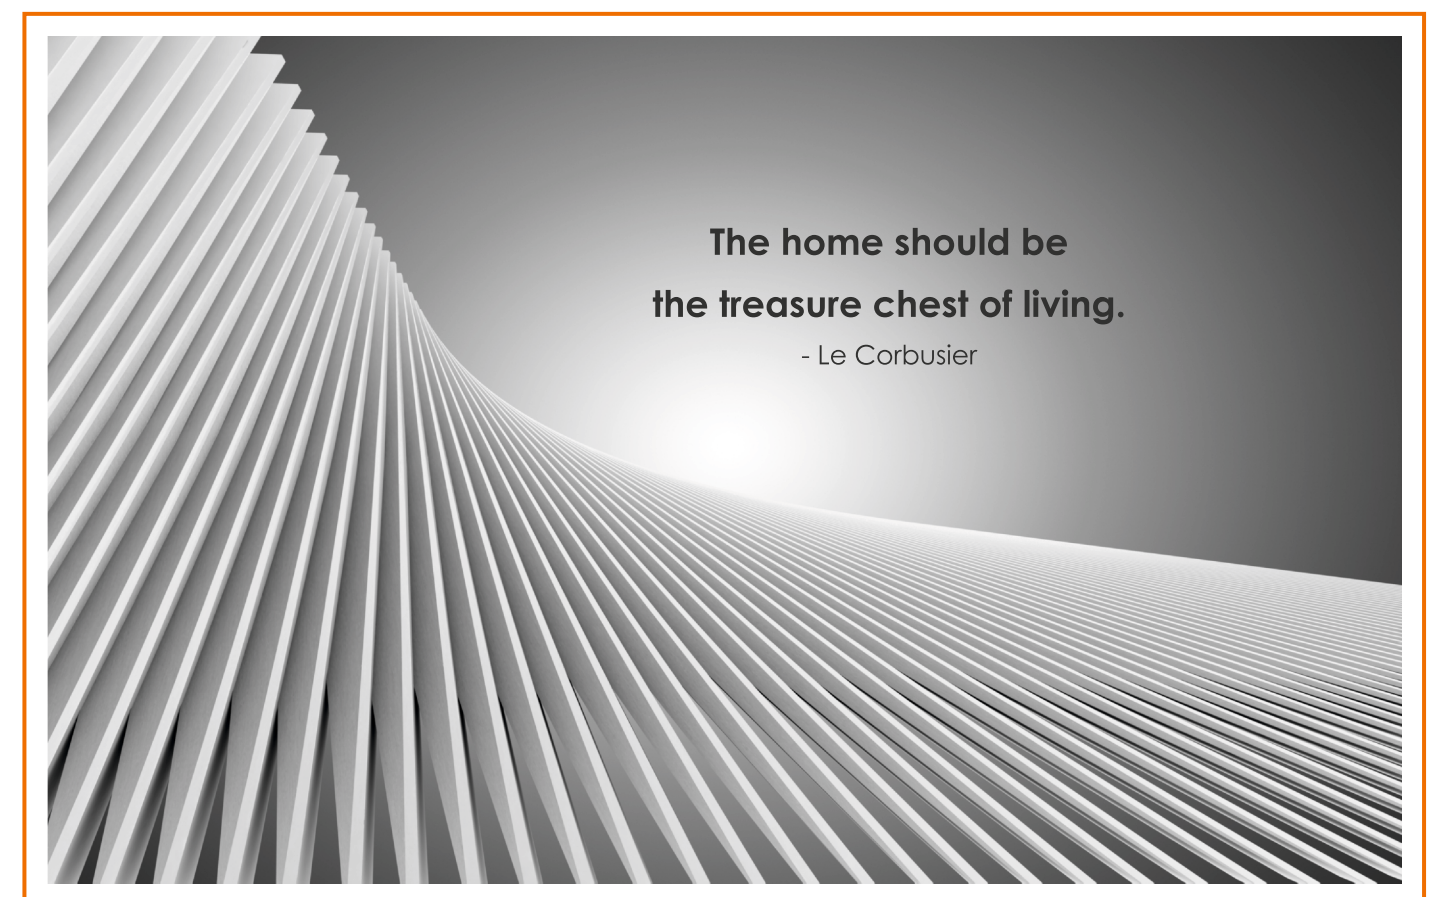

Fluted Quartz Surfaces are innovative architectural elements that combine the timeless beauty of natural marble with modern engineering. These Surfaces feature precisely crafted vertical ridges that create stunning light and shadow effects, adding depth and character to any space. Made from premium quality quartz, they transform ordinary surfaces into extraordinary architectural statements while maintaining superior durability and functionality.

In the world of premium surfaces, Baba Quartz's Fluted Quartz Surfaces stand as a testament to engineering excellence and artistic innovation. Born from the marriage of natural marble and cutting-edge technology, these panels represent more than just a surface – they embody a commitment to elevating architectural possibilities. Our state-of-the-art manufacturing facility, spanning 40,000 sq. meters, ensures each panel meets the highest standards of quality and consistency.

What sets our Fluted Quartz Surfaces apart is the unmatched combination of natural beauty and technological advancement. We source our premium white quartz from our own quarries in Rajasamand, maintaining complete control over quality from extraction to final production. This vertical integration, coupled with our ISO certifications and international recognitions, ensures that every Surface we produce meets global excellence standards.

Choose our Fluted Quartz Surfaces because they represent the future of architectural surfaces. With our production capacity of 5.00 Million Sq. Meter per annum and expertise recognized by national awards, we don't just deliver products – we deliver confidence, reliability, and the assurance of working with India's leading quartz surface manufacturer.
